

# A New Twist to Traditional Chain Link

FLATLINK®

FLATLINK™

Traditional Chain Link

**Contact us about our  
Panel Rejuvenation  
program.**

- FLATLINK Fabric is protected on 4 sides by the frame and recessed to prevent shagging
- More durable panel means greater return on investment
- FLATLINK selvage creates a stronger, more durable bond that is virtually snag-proof
- Easier, safer, snag-free handling means quicker installs and more productivity
- Fabric rolls out like carpet even on repeat usage
- Available Nationwide

Bergandi Machinery 3575 Grapevine Street Mira Loma, California 91752 tel 951-361-8000 fax 951-361-8050
