

Committed to Excellence

For over 40 years Terra Furniture has been recognized for innovative and inspiring designs in indoor/outdoor furniture. Our commitment to Quality and Service is well recognized throughout the trade.

Great designs from some of the finest national and international designers have positioned Terra as a leader in the casual furniture industry. Award winning artists have created a line of fine cast, tubular aluminum and woven furniture as well as wood and aluminum market umbrellas for hotels, resorts, private clubs, restaurants and homeowners worldwide. In addition to their own products Terra is the North American distribution partner for the Sunweave line of high quality contemporary woven furniture.

Our team of skilled craftsmen combine exciting colors and styles with functional design using carefully selected high quality materials. This affords our discerning commercial and residential clientele unlimited choices to mix and match or create any custom décor they can envision.

Terra Furniture is not only beautifully designed but it is practical. Attention to lines, curves and proportions create pieces of visual and functional art that engage guests into a sensory experience they will not soon forget.

Comfort begins with thick luxurious cushions, premium fabrics and ergonomically designed frames making Terra Furniture's line of innovative designs an affordable luxury you can live with.

High quality materials, meticulous workmanship, innovative designs and customer service that will exceed your expectations make Terra Furniture stand head and shoulders above the rest.
